

Accessibility Statement

Effective Date: 13 July 2026

Last Updated: 13 July 2026

Nordic Cyber Lab is committed to ensuring digital accessibility for all users, including people with disabilities. We continually improve the usability of our website in line with WCAG 2.1 Level AA principles.

Our Commitment

We strive to provide an accessible, inclusive, and user-friendly experience across devices and assistive technologies.

Accessibility Features

Responsive design, keyboard navigation, readable typography, sufficient color contrast, alternative text for images, accessible forms, logical headings, and compatibility with modern browsers and common screen readers.

Ongoing Improvements

We regularly review and improve our website through accessibility audits, testing, user feedback, and staff awareness.

Third-Party Content

Some linked third-party websites may not be fully accessible and are outside our control.

Feedback

If you experience accessibility issues, please contact us with the page, issue description, browser or assistive technology used, and your preferred contact method.
